

Lord's Day, 18 April 2004 6pm
John Sung Chapel
Pandan Gardens
Speaker: Dr Raymond Saxe

The Indestructible People
Persecuted but not Perished
The Scourge of Anti-Semitism

Notes:

This is an extensive statement concerning anti-Semitism historically and you will learn about its most recent outbursts as described in current literature. A most remarkable effort at Jewish extermination will be presented from Scripture. What some consider the major issue in the present Israeli-Palestinian conflict is examined directly from the Word of God. Do not miss this dramatic study of worldwide concern. Hear from a man who experienced the scourge from childhood.
