“The Glory of Eternal Provision”

Notes:

Here is a dynamic study of the account of the Valley of Dry Bones. Newspapers, radios, T.V. and every current news media is riveted on the Middle East. It's all about the nation Israel. Will the Jewish people survive the current intafada and genocidal attacks? Give yourself the opportunity to study the prophecy of Ezekiel to find the answers. God has revealed in His Word what His plans are for the nation. Have the bones come to life?
